

Andrew Atkinson

An Amazing DJ!

Name:	Andrew Atkinson....aka Ginner
Age:	41 acts 12
My favourite memory from my time at St. Joseph's...	So many great memories of St Joseph's so it is hard to put 1 so here is a few: Milk time in infants Carrying the football goals up to the top field for football matches Break time football matches....not the girls getting in the way with skipping ropes! Sports day's on the field....getting half frozen ice pops from a tin Getting to ring the end of day bell Teachers were awesome.... Playing the xylophone at one of our school performances.....weeks of practice Pe in the hall getting out the BIG apparatus Watching the 'big' television....on wheels (zigzag) Loads more but will leave it for now!
My message for the children at St. Joseph's now...	When the older people tell you these are the best days of your life.....believe them! Enjoy every minute spending time with your friends. You REALLY can be anything you want if you work hard This school is ace!
What did I become?	I work in professional motorsport as a general manager. Also a DJ and producer....and this is what I always wanted to be!
