

Paul Hodgson

Supermarket Superhero!

Name:	Paul Hodgson
Age:	41
My favourite memory from my time at St. Joseph's...	So many great memories. I loved all the sports that we played and I was lucky enough to represent St. Joseph's after getting picked for the Lancaster and Morecambe school boys football team.
My message for the children at St. Joseph's now...	These are the most important years of your life (I only realised that now) Always listen to your teacher and give 100% Make friends and I'm sure you'll have them for life.
What did I become?	I work in Chorley at a distribution centre. I drive a fork-lift truck loading wagons that take all the toilet rolls/ baby wipes to the supermarkets all over England. In my spare time I'm a Beaver leader for a group in Bolton Le Sands
