Man of Power!

Name:	Liam Culkin
Age:	31
My favourite memory from my time at St. Joseph's...	Playing football at lunchtime with my friends on the double playground.
My message for the children at St. Joseph's now...	<p>Different isn't bad or scary.</p> <p>Your teachers will talk a lot but they know what they're on about....most of the time.</p> <p>The better you behave the more fun your teacher will be.</p>
What did I become?	<p>After finishing at St Joseph's I went to Boys Grammar and Lancaster Uni.</p> <p>I have a house with lots of cool comic book figures.</p> <p>I currently work at a Power Station in the Finance Department where I monitor the electricity we make.</p> <p>Most importantly I have a wonderful wife and a baby on the way.</p>
