| 3. says | 4. are |
| 5. were | 6. was |
| 7. your | 8. they |

It's handwriting day!
Write each word in
your book 3 times.

English!

Choose a person at home to describe. Write 6 sentences to describe it. Remember to use capital letters and full stops.

Choose an object at home that you like. Write a paragraph describing each part of it and what it does. Remember to use capital letters, full stops and adjectives to describe.

Choose an animal. Write a descriptive paragraph about them. Include PERFECT PUNCTUATION, extended noun phrases and prepositions. Don't forget to say what kind of person they are on the inside too.

SCIENCE

The World Outside My Window

Our science skills will also develop using the world around us and will also build on our topic.

Week 1

1. We will keep a weather diary whilst at home. Some people say that Lancashire is the wettest county because it always rains. Let's find out. Each day I would like you to write the date and then use a symbol to show the weather in the morning and in the afternoon.
2. Based on your science from last term, draw and label 6 examples of pushes and pulls that you use at home.
3. Do you have any magnets at home – how are they used?

Record your work in your Learning Log.

Learning Log

Termly Value
Faith

Our new Value is FAITH

1. What does 'having faith' mean? Write a sentence explaining what faith is.
2. What do you have faith in? Can you draw three things that you believe in and write what they are?
3. How do you other people know that you have faith? Write or draw what you do to show your faith.

Topic

The World Outside My Window

This week we will start a topic based around our local area – the area in which you live. The 'topic' elements will be geography/history and art based.

Week 1

1. View from the window – create a picture of what you can see outside your window. It can be drawn, painted, collaged – you decide. It should show what you can see and use colours accurately.
2. Make a list of all of the different types of buildings that are on your street and also how they are used.
3. Write a description of your home. Is it a house or flat? How many bedrooms? Does it have a garden? Which is the biggest room and how is it used?
