

# Autumn 1: Learning in ...

## English

We begin this year looking at what we did on our Summer Holidays! We will be creating a recount of something exciting that happened and sending a postcard to tell a friend all about it! We will then move on to traditional tales, where we will be exploring texts such as, The Three Little Pigs, The Three bears and Jack and The Beanstalk.

## Year 1

## Science

Science will see us look at our bodies and our senses! We will be exploring taste, smell, hearing, touch and sight! We will be exploring what each sense does and looking at our own body parts.

We will also be looking at seasonal change, noticing how the weather has change and how this impacts the world around us.

## History and Geography

We will be focussing on Geography this term. We are exploring our local area of Lancaster and our home. We will be completing simple ground work around our school grounds.

## Maths

Maths will see us start with place value to 10 and understanding number. This will lead into place value to 20 by the end of the term.

## Computing

Year 1 will be looking at online safety, understanding how to be safe on the internet.

## Art and DT

In art we are looking at the wonderful art work of local artist, Colin Pickering. Colin creates landscapes of the surrounding areas in Lancaster and Morecambe. We will be creating our own landscape drawings in the style of Colin Pickering.

## P.E

This half term will see us outside focusing on our fundamental skills, including, jumping, hopping, and skipping.

## PSHE

Our PSHE topic is 'Fun Times' where we will be learning all about special celebrations and the foods eaten within these events. We will also be looking at keeping healthy, exploring different playground games and how to stay active!

## Music

All learning is based on the theme 'Hey you!' The children will be learning to improve their singing and rhythmic skills during this topic!

## R.E

### Family and love

Year 1 will be focussing on families and belongings this half term. We will be recognising religious stories, including the story of Creation and how we can take care of God's beautiful world. We will look at the different relationships we have at school, in our families and within the community. We will also explore different celebrations, including Baptism and the different signs and symbols we use in Church.
