## School News!

We have enjoyed another great week here at St. Joseph's. The children are all settled into their new classes and it feels like we have never been away!

- Our new Reception Class are absolutely brilliant and will begin staying for lunch from next week! This is a BIG step on their school journey, but I have every faith that they will rise to the challenge!
- Years 5 and 6 went swimming for the first time this week and they all seemed to enjoy themselves. Some even wanted a nap afterwards!
- School were very fortunate to have some computers donated by a local company. Thank you to Joe and his team at Simply Precast in Halton. It's lovely to see how generous our community can be. We are truly thankful ☺
- Our new School Council members have been elected. More info about them and their roles to come!

## New Positive Relationships Policy

The new school year saw the implementation of our new Positive Relationships Policy. As a school family, we are now reinforcing the good behaviours we expect to see in school. The children have so far responded well to our 3 foundation blocks of **READY- RESPECTFUL-SAFE**. All good behaviour is acknowledged on a class Recognition Board and celebrated.

## Events

Mrs Willetts has very kindly taken on the role of Official School Fundraiser! Her first fundraising event is next **Friday 24<sup>th</sup> September at 2.15pm** in the **School Hall**. There will be a charge of £2 on the door and you will get a brew and some cake!

We are hoping to raise as much money as we can for such a great cause. Macmillan supports cancer patients and their families throughout diagnosis, treatment and aftercare. If you could support us by coming to the coffee afternoon and buying a cake or having a brew, we would greatly appreciate it. It's a chance for us to show how truly amazing the St. Joseph's Family is!
