

# Spring 1: Learning in Year 1

## English

In English we enter the world of fantasy! We will be exploring the texts by the author Simon Bartram. These include, The Man on the Moon, Bob's Best Friend and Bob and the Moontree Mystery. We will also create our own non-chronological report and explore traditional poems!

## Supporting your child with their learning

- Most importantly, reading with your child every night!
- Completing their homework in their learning log.
- Use websites found on learning log to further continue learning!

## Science

In Science we will continue our work investigating Animals! Last term we focused on grouping animals, this term we will be linking animals into their correct food groups, herbivores, carnivores and omnivores.

We will also look at the most recent seasonal change, Winter. We will explore the changes that come with Winter and how it effects the environment around us.

## History and Geography

We are focussing on Geography this half term, with a study on Morecambe Bay! We will explore maps, ariel shots and recognise key landmarks. We will also use technology to see where Morecambe is in the world.

## Maths

In maths we will continue our work on 3D and 2D shapes, addition and subtraction and working with numbers up to 50!

## Computing

In computing we are going to use Purple Mash to create our own pictograms. We will link our pictograms with our Design and Technology focus of food.

## Art and DT

This term we are focusing on Design and Technology. We will be learning all about food! As a class, we will explore the main food groups and how we can stay healthy.

## P.E

In PE we will be progressing from practising our under-arm throw, to our over-arm throwing skills! We will use equipment to help aid our throwing and games to compete in!

## PSHE

In PSHE we will be looking at the world around us, our society and identity. We will be exploring what makes us a good friend and what qualities we need in order to be a friend to others.

## Music

We will be using Charanga to focus on our new music topic, In the Groove! We will use instruments and find different ways to make rhythms and explore pitches and volume.

## R.E

Our Gospel Value this half term in Peace. We will be discussing what is Peace and how does this come into our daily lives. This half term in our RE lessons, we will be focusing on community and Eucharist. Within the community unit, we will be exploring how we experience communities and who are part of the communities close to us. We will focus on the Church community and how certain gathering are celebrated. We will start the unit Eucharist at the end of this half term and continue it into the next.
