

Spring 2: Learning in Year 6

English

In English we will continue with lots of SATs preparations. We will be looking at different reading skills and our punctuation and grammar.

In writing, we will be looking at balanced arguments and writing a narrative prequel.

Supporting your child with their learning

- Practise timetables with inverse calculations too
- Get your child to read every night – this really does help
- Provide a quiet space to complete homework and help where you can
- Maths related – help your child tell the time.

Science

Science will be all about Light and Astronomy.

We will be investigating how we see things and how we use light.

This will involve using scientific equipment like a periscope and clear triangular prisms.

Our scientist this half term is Nicolaus Copernicus

History and Geography

Year 6 will continue with researching the life of the Victorians.

This will look into how the rich lived and what key inventions were made during this time.

Maths

We will be looking at ratio and proportion; fractions, decimals and percentages and lots of SATs preparations. Extra work will be done to practise!

Computing

Spring term sees us continuing presenting texts and Networking

Art and DT

WE never made our Fairground rides this half term due to stock issues; we hope to sort this for this half term.

We will be looking at the Victorian artist William Morris and using his work as our inspiration.

P.E

We will be looking at the area of Gymnastics again this half term.

PSHE

Year 6 will be carrying on using the new scheme on prospects and careers. We will be looking in to the qualities needed for the world of work and then what skills are needed for all jobs and then specific to different jobs. They have made a good start already.

Music

Our music will see us learn through the topic of 'You've got a friend.' We will be singing and performing in our lessons.

German

We have been loving learning German, especially bingo! Spring term will see us learning about carnival colours and playground games.

R.E

Year 6 will be looking into the experience of community as an essential and enjoyable part of life for people of every age and faith. We will also be linking, remembering, celebrating and responding to the experience of a wide variety of books and purpose for which they were written and the Bible as the story of God's love told by the people of God.
