'St. Joseph's...
...where minds blossom
and love grows!'

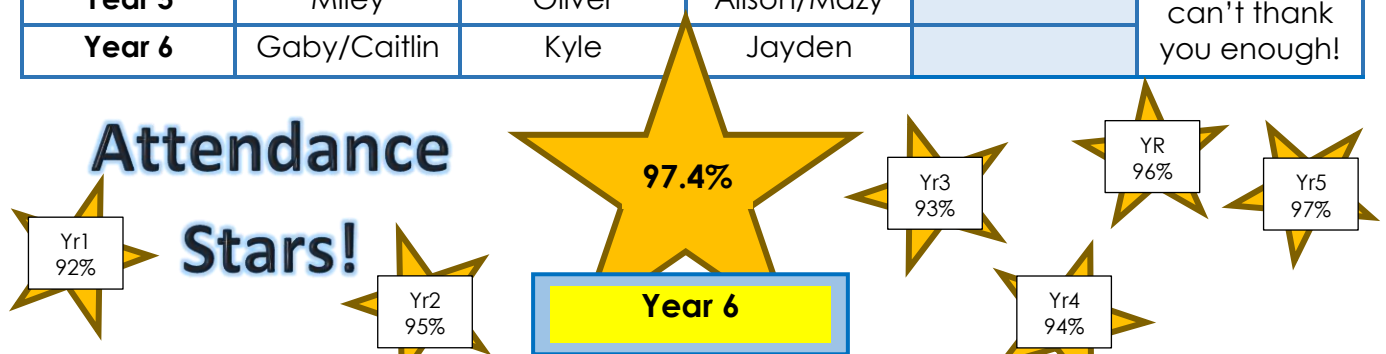

Headteacher: Miss Rachael Griffiths

Friday 18th March 2022

<p>School News!</p> 	<ul style="list-style-type: none"> • King George's Field– It has been brought to my attention that many of our children (Particularly in Years 4, 5 and 6) are hanging around in groups on King George's Field. Whilst we cannot control what happens outside school, we are noticing an increase in anti-social behaviours that are working their way into school. We have been informed of fights being arranged between groups and these fights being recorded for Snapchat. PLEASE, if your child spends time on King George's Field, speak to them about their conduct as the local police are increasing their presence there during the evenings and weekends. We want our children to be safe and be happy when they go out. • Upcoming Events : <ul style="list-style-type: none"> -Easter Hamper Raffle – Tickets cost £1 and go on sale from Monday 28th March -Decorated boiled egg competition – Entries to be in by Friday 1st April
<p>Parish and Community</p> 	<ul style="list-style-type: none"> • St Joseph's Day– 19th March is a special day for our Parish as it is the Feast Day of St. Joseph. There will be Mass at 10am and 6.30pm. Everyone is welcome to attend. • Stations of the Cross – Every Sunday at 3pm during Lent, Fr. John-Paul will be praying the Stations of the Cross in church. Everyone is welcome!

A HUGE well done to our brilliant V.I.P's and Stars of the Week

Class	V.I.P.	Star of the Week	Super Scientist	Lunchtime Stars	Miss G's Staff V.I.P
Nursery	Elsie-Mai	Carter	Sean		This week my staff V.I.P is Mrs Butcher . Mrs Butcher is incredibly keen and works so hard for our school. We can't thank you enough!
Reception	Jacob	Shaun			
Year 1	Aaliyah	Ava-Leigh	Michael		
Year 2	Eric	Isabella	Sofia		
Year 3	Warren	Tommy			
Year 4	Kayden	Poppy	Tristan		
Year 5	Miley	Oliver	Alison/Mazy		
Year 6	Gaby/Caitlin	Kyle	Jayden

School News

DATE: Friday 18th March

By Kyle (Head Boy) and Iya (Head Girl)

Class	Weekly News Update
Nursery	Nursery have been looking at growing and have celebrated St. Patrick's day more than anybody else! With hats, shamrocks and Irish food tasting! For English, they've been looking at nursery rhymes.
Reception	Reception have gone on a school trip to Leighton Moss, a fantastic nature reserve, full to the brim with kids activities! They've been reciting the poem, 'Little Seed'.
Year One	Year One have almost finished their pinch pots, they only need to paint them now. Talking about painting, they've painted the whole background of the geography board. But, they've finished their snail and the whale topic in English.
Year Two	Year Two have abducted some innocent, feeble caterpillars and are observing it closely on their metamorphosis topic for Science. In Maths, they've been looking at 2 and 3 dimensional shapes!
Year Three	Year Three have been revising on their mistakes and have been looking at verbs and clauses. But, <i>they have been doing some fun stuff!</i> They've done lots of outdoor education as well! To do with St. Patrick's day, the class have lots of fun facts about the Irish origins.
Year Four	Because we are in Lent, Year Four have been learning about actions to follow in God's footsteps. For English, they've made a holiday brochure to convince people to go on wonderful holidays. Related to last week, they've also been learning how to brush their teeth, scraping off all of the plaque!
Year Five	In Year 5's science topic, they've been looking at life cycles and life spans of different species. To hone in on <i>their</i> Maths skills, Year 5 have been looking at fractions with the same denominator. Like Year Six, have finished their novel 'Friend or Foe', which they <i>also</i> started five weeks ago.
Year Six	Year 6 have honed in to improve on their mistakes for SATs. Because of this, they've been measuring angles in Maths, some even went on to draw angles! After five long weeks, Year Six have finally finished their sci-fi prequel on 'Titanium'. And, in Science, Year Six have studied the anatomy of the eye and how it works in the human body.

A note from our Head Boy and Head Girl... St. Joseph's have worked super hard this week, focusing on doing assessments! You've all worked super hard, we both applaud you! Tomorrow (Saturday) is also St. Joseph's day; in the afternoon, many classes will do something related to St. Joseph!
