'St. Joseph's...
...where minds blossom
and love grows!'

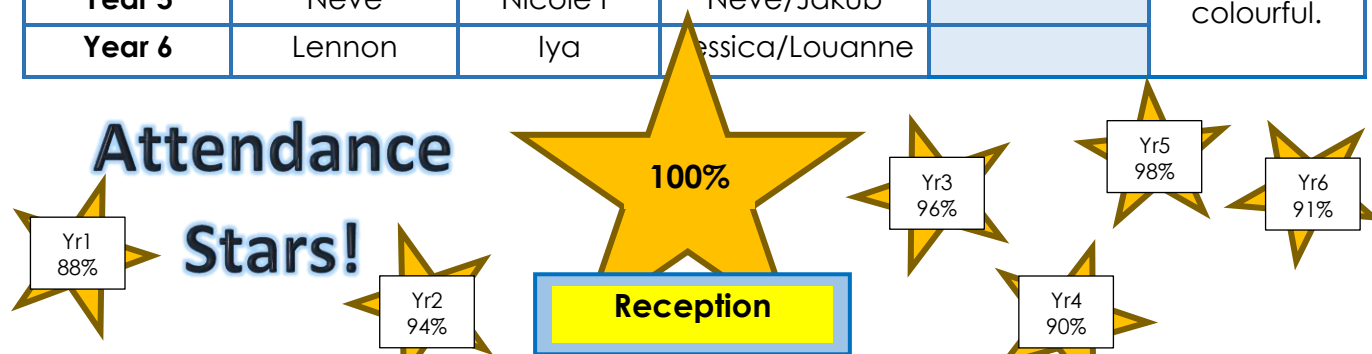

Headteacher: Miss Rachael Griffiths

Friday 25th March 2022

<p>School News!</p> 	<ul style="list-style-type: none"> • New School Uniform– I'm very excited to officially announce that from September, St Joseph's will have a brand new uniform! The staff and children are all working incredibly hard to make our school amazing and having a new uniform will outwardly reflect the hard work that is going on inside the school. It will also show our wider community that we are a school who take pride in everything that we do. I have attached photos at the bottom of this newsletter for you to see the new uniform. After discussing the new uniform with our Governors, it has been decided that school will cover the cost of the new uniform parts for ALL children. Therefore, the girls will each get a skirt or a pinafore, a cardigan or a jumper and a clip on tie paid for by school. The boys will get a jumper and tie paid for by the school. Parents will just need to buy white shirts, grey trousers, socks and black school shoes.
<p>Parish and Community</p> 	<ul style="list-style-type: none"> • Solemnity of the Annunciation– 25th March is a special day in the Churches calendar because it is the day we remember Mary saying 'Yes' to becoming the mother of Jesus. Everyone is welcome to attend the Masses dedicated to Mary Our Mother. • Mother's Day – Fr. John-Paul will be blessing all mother's this Sunday! • Stations of the Cross – Every Sunday at 3pm during Lent, Fr. John-Paul will be praying the Stations of the Cross in church. Everyone is welcome!

A HUGE well done to our brilliant V.I.P's and Stars of the Week

Class	V.I.P.	Star of the Week	Super Scientist	Lunchtime Stars	Miss G's Staff V.I.P
Nursery	Dotty-Bluebell	Joseph	Lydia		This week my staff V.I.P is Mrs Senior . Mrs Senior always does so much to make our school look bright and colourful.
Reception	Madelyn	Nevaeh	Charlie		
Year 1	Marnie	Marshall			
Year 2	Della	Syzmon			
Year 3	Kelsey	Warren			
Year 4	Ronan	Shay	Charmaine		
Year 5	Neve	Nicole P	Neve/Jakub		
Year 6	Lennon	Iya	Jessica/Louanne

School News

DATE: Friday 25th March

By Kyle (Head Boy) and Iya (Head Girl)

Class	Weekly News Update
Nursery	Because of this week's electrifying Science week, Nursery have been planting the entire plant kingdom! For Mother's day, they've planted a nice daffodil to show how much they love their mums. They've made an observation about cress heads (fascinating stuff). Nursery have also looked at how to take care of plants while they grow.
Reception	This week has seen Reception going up and down with their floating and sinking experiments for Science- as well as dressing up as gardeners! Maybe they gave Nursery some tips and tricks. For Easter, they've made a fun exciting story about Jesus.
Year One	Year One have been plant detectives at Leighton Moss and have been discovering pond mini-beasts. Back in the classroom, they've also been looking at evergreen and deciduous trees. These mysterious workers have sure been busy!
Year Two	Year Two have been looking at the life cycle of butterflies (which is why they abducted the caterpillars last week)! When Year two's parents came to their classroom, they were researching mini-beasts (like Year One).
Year Three	Year Three have made Mother's day and Easter cards to celebrate the occasion. They've been looking at life and forest skills (like Year 4 and 6 a couple weeks ago). Related to life skills, they've learnt how to look after each other and be good friends.
Year Four	For Maths, Year Four have been looking at 2D shapes and co-ordinates (I wonder if those two are related...). Anyway, Year Four have also been doing some outdoor learning and also made Easter cards.
Year Five	Year Five have been looking at living things and their habitats, like they've been doing recently. But, this week, they've been making their own reports on different species of animals. They also loved their trip to the Liverpool World Museum!
Year Six	Like the whole of KS2, Year Six went to the Liverpool World Museum and loved it just as much as everyone else. In their Science experiment(s), they've been looking at spectrums of colour and how Isaac Newton (who also discovered gravity) discovered them. After their topic of Death and New Life, they've finally reunited with their Unity topic!

A note from our Head Boy and Head Girl... This week is Science Week; St. Joe's have had a wonderful time going on trips and looking at all things Science! A big thank you to Mrs. Dodd for organising all of the trips.

Our new school uniform for September 2022!

Here is a look at our new uniform for September. I'm sure you'll agree that it looks wonderful and very smart.

The children will also be getting ties, which are arriving on Monday!
