<p>School News!</p> 	<ul style="list-style-type: none"> • Governor Visit – Our chair of Governors, Mrs Calnan, will be visiting school on Wednesday 29th June and would love to chat to parents/carers. If you would like to speak to her, she will be on the Year 3 and 4 playground from 3.10 onwards. • Next Year – Information regarding next year will be sent out as a separate letter next week. The letter will inform you of who will be teaching your child next year in addition to updated information about clubs, timetables and any changes that are being made here at St Joseph's. • New Uniform – We are currently waiting for confirmation of a date for you all to collect school uniforms. When we get these dates, we will post them for each class on Class Dojo. • Reception 2022 – We are very excited about our new starters for September 2022. New parents are invited to attend the Reception Induction Evening on Wednesday 29th June at 4pm in the Reception Classroom. Lots of information will be shared and it will give our new families an opportunity to have a good look around!
<p>Parish and Community</p> 	<ul style="list-style-type: none"> • Visit to Year 6 – Year 6 were lucky enough to have a visit from Fr John-Paul this week. They had prepared questions for him about anointing the sick! Fr was very impressed and left with a big smile on his face ☺

A HUGE well done to our brilliant V.I.P's and Stars of the Week

Class	V.I.P.	Star of the Week	Super Scientist	Lunchtime Stars	Miss G's Staff V.I.P

School News

DATE: Friday 24th June

By Kyle (Head Boy) and Iya (Head Girl)

Class	Weekly News Update
Nursery	Ahoy, matey! This week, Nursery have looked at Pirates and their cutest little companion, parrots! They've seen the Pirate's special message from good ol' Pirate Pete, whilst he was in battle with his greatest enemies... Other than that, Nursery have looked at my favourite number, number 7! I'd probably call it my lucky number at this point.
Reception	Just like the year below them, Reception have also looked at all things pirates! They've even looked at the pirate fashion trends, like the tricorn hat and the eyepatch; with their new and improved outfits, they've looked at maps to find where the treasure is! Other than a ton of pirate activities, Reception have been practising writing sentences.
Year One	For English, Year One have made their rough version of the fairy tale, 'Jack and the Beanstalk'. In preparation for their adulthood (which'll take a loooooong time), Year One have looked at real life maths, selling cheesecakes in their shop. I wonder, what would their cheesecakes taste like?
Year Two	Oh, how I envy Year Two... They've spent a day in Morecambe, going to Happy Mount park and the beach. I bet a ton of sunscreen was put on to the point where you could smell it! If you've gone up the hill, you could see Year Two's plant collection for science. Since they've grown, Year Two set up their own plant sale, selling every single plant they've got!
Year Three	In year three they have been reading 'The Flood' in English. For their geography they have been looking at weather and comparing the temperature of Lancaster and London! In maths they have been looking at fractions!
Year Four	Year Four have looked at Lila's adventurous life for English, pretty much astonished by what she can do as a young girl. For Maths, Year Four are starting to look at the numerators and the denominators! Year Four have learnt more about Vikings and Anglo-Saxons for Topic, and began Sports Day practice; Sports Day is truly something I dread, especially the javelin throw!
Year Five	Religious Education sees Year Five learning about creating the world, how God turned nothing into a beautiful place! More and more fractions for Maths and, for Science, they've made Solutions with experience.
Year Six	On Thursday, Year Six had a visit from Father John-Paul; he had tons to say about their topic of 'Healing'. Next week, Year Six will use all of that information for their leaflet! English sees Year Six writing letters and diaries from Michael's family's perspective. On top of that, Year Six began their topic of 'Sound', now knowing that sound comes from vibrations.

A note from our Head Boy and Head Girl... Yet another week passes by... In 3 school weeks and a bit, we'll be finished – how fast is the year going! The whole school have enjoyed their 'Real Life Maths' and have done some great work. Well done everyone! Have a great weekend!
