School News!

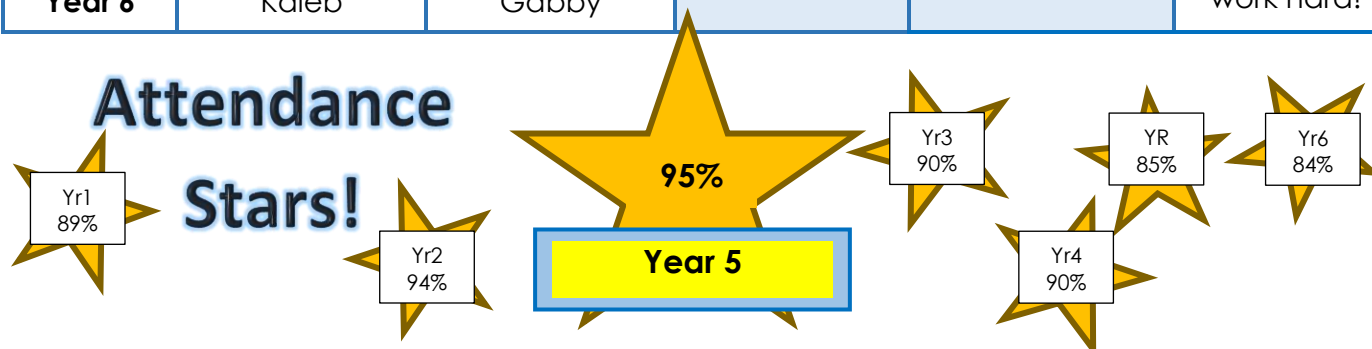

- **New School Uniform Collection** – We have now had confirmation from the Uniform and Leisurewear Company to say that all uniform has arrived! As you can imagine, it is a big job getting the uniforms distributed, so please see the following dates and times for collection.
If your child is in Year 1, Year 2 or Year 3 **next year**, then please collect your child's uniform on **Wednesday 13th July from 3pm**. If your child is in Year 4, Year 5 or Year 6 **next year**, then please collect on **Monday 18th July from 3pm**.
- **Sports Day** – We are all very excited about Sports Day on Monday. The weather is expected to be very warm, so please make sure that your child has had sun cream applied before school and that they bring a hat and water bottle with them.
- **Chocolate and Sweet Raffle** – Mrs Spavin is raising money for the Lancaster City Junior Football Club and has made a sweet and chocolate hamper. If you would like a chance to win one of these great prizes, then please send your child in with £1 for a strip of tickets. The winner will be announced in the last week of school.
- **End of Year Reports** – Your child's class teacher is currently busy writing their end of year report. These will be sent out on Monday 18th July.

Class	Weekly News Update
Nursery	Sports Day was the BEST! After tons of training, Nursery have finally finished Sports Day – they smashed it! Since parents came, I believe that they're very proud of Nursery. For their story of the week, Nursery read Noah's Ark.
Reception	Reception spend tons of time practicing their phonics; for this week, they've looked at E, S, T and ES. Like the rest of KS1, they've also done Sports Day! My favourite would have to be the egg and spoon race, though.
Year One	Year One have already finished money for Maths and have moved on to time. They've done stop-motion for Jack and the Beanstalk, taking picture by picture to make a video! I'm also very sure that their teacher have been training Year One non-stop to win Sports day!
Year Two	Enough about Sports Day now... I'm sure each year have all did absolutely phenomenal! For Maths, Year Two have looked at tally charts and block graphs. Religious Education, Year Two learnt about the treasures of God.
Year Three	Year Three have built their foundation knowledge on fractions for Maths. And, in Science, they've learnt something which seems very, very, very hard... they've looked at how water is transported in flowers! That seems quite tricky for me.
Year Four	They've finally finished 'The Firework Maker's Daughter' for English. For Topic, Year Four learn about how the Anglo-Saxons lived. Now, for Sports Day, they're anticipating Sports Day, practicing non-stop!
Year Five	For a very early transition to high school, Year Five went to Our Lady's for a day. Being Scientists, Year Five looked at irreversible changes for materials. For example, once wood is burnt, it turns to ash!
Year Six	From Monday, Year Six have done their R.E assessment on Anointing of the Sick; what a great way to start the week! In Geography, Year Six looked at biomes. Did you know? The most common biome is aquatic biomes!

A note from our Head Boy and Head Girl... What a fun-filled week! All of Saint Joseph's have had a wonderful time on the inflatable, running and jumping and sliding down... Also, next week, we'll have our final full week before the end of school year! I hope you're all ready for the **MEGA** recognition raffle!
