School News!

- **Head Boy and Head Girl** – A massive well done to John and Lilly in Year 6 who have been voted as this year's Head Boy and Head Girl. I'm sure you will both do our school proud! CONGRATULATIONS!!!
- **Reading at home** – Thank you, thank you, thank you! We are seeing more and more children reading at home, not just their school reading book, but books that they choose themselves. This is already having a huge impact on learning, so please continue to be amazing and support your child with their reading at home. ☺
- **Late Arrivals in Key Stage One** – There has been some concern over what happens when your child is late for school and knowing where to drop them off. **BEFORE 9.15**, you may press the buzzer on the Key Stage One gate and your child will be allowed in. **ANY TIME AFTER 9.15**, you must go directly to the Main Office where your child will be registered and then taken to the infants by a member of staff. Please be aware that attendance is very closely monitored and if your child is regularly late, you will be contacted by our Attendance Officer. All learning time is vital and late arrival may lead to them falling behind. We appreciate your support with this.
- **Speaking to staff** – We pride ourselves on working extremely hard for your children and for the majority of time we are so pleased to hear positive things from parents. However, there have been increasing cases where parents have been rather rude to staff and actually sworn at them. I would like to say that this is not something we accept and any form of verbal abuse could result in a ban from the premises.

A HUGE well done to our brilliant V.I.P's, Stars of the Week and Super Scientists!
