School News!

- **New layout** – You may have noticed that our newsletter has changed! We want to celebrate all of the wonderful achievements and milestones made by our amazing children. You'll now get a 'Peek of the Week' giving you a window into the work, sports, play, prayer and laughter we experience here at St Joseph's. In addition to these photos, you will also see the names of those children who have taken their reading to the next level and are reading for pleasure and taking on the Star Reader Challenge.
- **Attendance** – For our children to do their absolute best, it is crucial that they are in school all of the time. You will see your child's class attendance star showing the percentage they have achieved in the past week. The target is 97%, so even 1 or 2 days off can make a huge difference.
- **Recognition Rewards Weekly Total** – This number shows the number of children making it onto the class Recognition Board at least 3 times per week for being READY, RESPECTFUL and SAFE. Our new school target is 120 ☺
