At St. Joseph's Catholic Primary School, we believe that every child is a unique creation of God.

We promote respect and care for one another following in the footsteps of the family Jesus wants us to be.

Caring for one another is at the centre of our school life.

We promise to provide educational opportunities and experiences to enrich the learning and well-being of the children by following the teaching of Jesus Christ.

Our school values its partnership with the Parish community and MAT, together enabling our children to become rounded, confident individuals, with an understanding of Gospel values as preparation for the world of work and life.

## **POLICY FOR PAYING GOVERNORS' ALLOWANCES**

This policy statement has been developed in accordance with The School Governance (Roles, Procedures and Allowances) (England) (Amendment) Regulations 2013. These regulations give Governing Bodies the discretion to pay allowances from the school's annual budget allocation to governors for certain allowances which they incur in carrying out their duties.

School governors provide a voluntary service, and cannot be paid for their role as a governor. However, they can receive out of pocket expenses. This may include reasonable expenses to cover travel costs or child care costs incurred as a result of fulfilling their role as governor. Where the board has a delegated budget, whether to pay allowances and what allowances might reasonably be paid are matters for the board to decide. Where a board does not have a delegated budget, allowances and expenses may be paid by the Multi-Academy Trust at a rate determined by them.

Payments can only be paid for expenditure necessarily incurred to enable the person to perform any duty as a governor. This does not include payments to cover loss of earnings for attending meetings. Travel expenses must be at a rate not exceeding the HM Revenue and Customs (HMRC) approved mileage rates which are changed annually and are on HMRC website. Other expenses should be paid on provision of a receipt and be limited to the amount shown on the receipt.

The School believes that paying governors' allowances, in specific categories as set out below, is important in ensuring equality of opportunity to serve as governors for all members of the community and so is an appropriate use of school funds. The specific items allowable reflect this objective.

1. Governors may claim allowances in respect of actual expenditure incurred whilst attending meetings of the Governing Body and its committees, undertaking governor development and otherwise acting on behalf of the governing body:
2. Governors may not claim for actual or potential loss of earnings or income.
3. Governors may not be paid attendance allowance.
4. All governors and associate members are eligible to claim allowances in accordance with this scheme.
