

# Autumn 2: Learning in Year

## English

We will look at non-chronological reports and learn how to research and present information. We will also be exploring 'myths', reading books such as 'The Egyptian Cinderella'. We will then be writing our own persuasive adverts.

## Supporting your child with their learning

- Listen to your child read as often as possible
- Practise times tables- children have been given a TT Rockstars log in- encourage them to use this daily!
- Help your child with their weekly learning logs
- [Thank you! All your help is greatly appreciated!](#)

## What we are reading this half term:

- The Boy Who Grew Dragons
- The Egyptian Cinderella

## Science

In Science, we will be investigating 'sound'. We will investigate how sounds are made. We will recognise that vibrations from sounds travel through a medium to the ear, and much more! Our scientist of the half term will be Alexander Graham Bell.

## History / Geography

We will be continuing our work on Ancient Egypt. We will explore the way they used to live and research people, buildings and religion. We will be using our geography skills to locate where they lived and how they used the River Nile.

## Maths

In Maths, we will be covering a number of topics such as measurement, mental multiplication, mental division and written multiplication.

## Computing

Year 4 will be writing for different audiences and creating animations.

## Art and DT

In DT, we will focus on planning, designing, building and evaluating structures. We will discuss what makes a good structure and think about ways in which we can improve structures that we make.

## P.E

In PE, we will be focusing on dance, based on the story 'Iron Man'.

## Educational / Enrichment Visits

We will visit The Egyptian exhibit at The World Museum.

## PSHE

In PSHE, we will be discussing making good choices. We will discuss topics relating to drugs, tobacco and alcohol. The children will consider how they can keep themselves safe and what they should do if they ever feel unsafe or pressurised.

## Music

In Music, we will be learning how to play the recorder. We will explore songs that use the recorder and will have a go at creating our own tune!

## German

In German, we will be thinking about our local area. We will learn words for shops, signs, directions and more!

## R.E

In RE, we will be learning about what it means to be called. We will consider examples of people who were 'called' by god and how they showed examples of following God's word.
