## Ready Respectful Safe

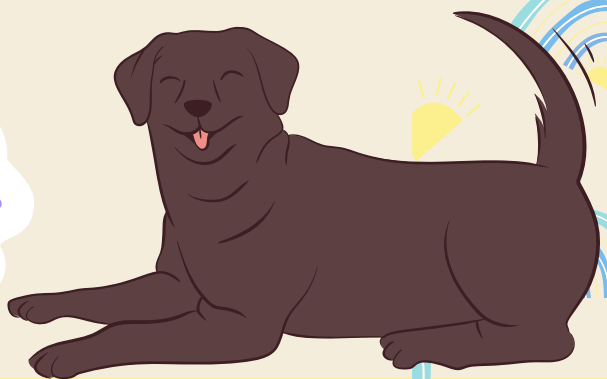

### Behaviour

Sadly, I have seen a decline in some pupil's behaviour and attitudes towards staff recently which, as I'm sure you will agree, is completely unacceptable. We encourage all of our children to be **READY, RESPECTFUL** and **SAFE** at all times and this includes speaking to adults in an appropriate manner, completing tasks that they have been asked to do, staying in their seat and being kind to one another. I hope that you, as parents and carers, can support these simple, yet fundamental rules that we try to instil in our children to give them the best learning opportunities possible. I want your children to succeed and good behaviour is the key to achieving this and as all good behaviour starts at home, I'm respectfully asking you to speak to your child if they have been spoken to by an adult in school. Thank you, Miss Griffiths

### Goodbye, Miss Hayley

Today, we say a fond farewell to Miss Hayley. It will certainly be strange not seeing (and hearing her!) around school. She has definitely made her mark here at St. Joseph's. The children will all miss seeing and reading to Cola too.

**BEST OF LUCK**
