Attendance Roadmap

In line with the DfE Statutory Guidance (in force from 19th August 2024) we offer a supportive, stepped, attendance approach. We will offer a welcoming ethos with high expectations for all. We will assess data to identify absence trends & use preventative discussions/meetings with families to listen, understand & support to remove barriers. Where needed, we will formalise support to nurture improvement with Attendance Contracts & as a last resort we will consider intensifying support &/or enforce legal sanctions.

Please talk to us about how we can support you &/or your child at any time.
