School News

School Council Art Competition

Our School Councillors are delighted to launch a whole-school art competition! This exciting opportunity is open to everyone in our school community, including staff, and will encourage creativity, imagination and a love of the arts. We can't wait to see the fantastic entries and celebrate the many talents we have across our school.

Playground Transformation

A huge thank you to Miss Kelly, who has been leading exciting improvements to our playgrounds. New surfaces and play equipment are being planned to create vibrant, safe and engaging spaces for all children to enjoy. These developments will enhance playtimes and support children's physical development, wellbeing and enjoyment throughout the school day.

CCTV

We are pleased to inform families that CCTV has now been installed across the school site. This investment further strengthens our commitment to safeguarding by helping to ensure a safe and secure environment for our children, staff and visitors. The system will support our ongoing efforts to protect and care for everyone within our school community.

Farewell and Thank You, Mrs Crabtree

As we reach the end of this term, we say a fond farewell to Mrs Crabtree as she begins her well-earned retirement. Mrs Crabtree has been a valued member of our school family for many years, showing unwavering dedication, kindness and care to our children and families. She will be missed wholeheartedly by pupils, staff and parents alike, and we thank her for the tremendous contribution she has made to our school. We wish her every happiness and blessing for the future.
