School News

Allergies

We are finding that some data forms are being returned to school without notification of allergies. This is very important as we need to have an Individual Health Care Plan in place for your child in order for them to receive the correct support. If your child does have an allergy that may affect them during school, then please contact Miss Griffiths via Class Dojo. Thank you.

PTFA News

A huge thank you to our wonderful PTFA, who are already busy planning lots of exciting events and experiences for our children throughout the year. They are always keen to welcome new members, so if you would like to get involved, meet other parents and support our school community, please do get in touch.

School Nurse

We would also like to remind families that our School Nurse will be available on **Tuesday 6th October** and can offer advice and support on a range of issues, including sleep routines, behaviour, head lice and other health concerns.

Vaping on school premises

Finally, a polite reminder that **vaping is not permitted anywhere on school premises**. Thank you for helping us maintain a safe and healthy environment for all members of our school community.
